# ENISEY KRASNOYARSKI

Head coach WBC Enisey, Olga Shuneikina: "We have a new team, and during this tournament we will have our first friendly games. I do not expect much from them, because they usually turn out chaotic. But we are really looking forward to getting some information in order to continue to work on the mistakes, to make adjustments to our game. We are looking forward to a good, productive tournament."

Glavna trenerka WBC Enisey, Olga Šuneikina: "Imamo novo ekipo in med tem turnirjem bomo odigrali svoje prve prijateljske tekme. Od mojih igralk ne pričakujem veliko, saj se po navadi izkažejo kaotične. A se res veselimo, da bomo dobili nekaj informacij, ki nam bodo pokazale na katerih napakah se moramo še naprej učiti in prilagoditi našo igro. Veselimo se dobrega, produktivnega turnirja. "

# SAN MARTINO DI LUPARI

Team captain San Martino Di Lupari, Monica Tonello: "First of all I wanna thank the organizer of the tournament and our club FILA San Martino, for this opportunity. This season we have new players in our roster and new game set up. We need a lot of practice to learn it and improve together. We need to become a solid team, and this happens only with experience, working and staying together. It will be amazing playing games against not usual team. This can make us stronger and ready for different situations. Can't wait! Forza Lupe"

Head coach San Martino Di Lupari, Gianluca Larry Abignente: "We arrive here after 20 days spent together practicing, and I would like to see a good response from my players on the offensive end, with transition and fastbreak, although our physical condition will not be at its best. We could play the 1st game with high rhythm, then on the other 2 games I hope we will have a good quality on the fundamentals that we've worked on, in particular on offensive spacing.

Kapetanka ekipe San Martino Di Lupari, Monica Tonello: "Najprej se želim zahvaliti organizatorju turnirja in našemu klubu FILA San Martino za to priložnost. V tej sezoni imamo v naši ekipi njekajnovih igralcev in novo igro. Potrebujemo veliko prakse, da se tega naučimo in skupaj izboljšujemo. Postati moramo močna ekipa in to se zgodi le z izkušnjami, delom skupaj. Neverjetno bo igranje tekem proti drugačnim ekipam. To nas lahko naredi močnejše in pripravljene na različne situacije. Komaj čakam! Forza Lupe.

Glavni trener San Martina Di Lupari, Gianluca Larry Abignente: "Prihajamo sem po 20 dneh, ki smo jih preživeli skupaj in trenirali. Želel bi videti dober odziv mojih igralk v napadu, v tranziciji in s hitrim protinapadom, čeprav naša fizična pripravljenost ne bo najboljša. Prvo tekmo bi lahko odigrali z visokim ritmom, nato pa pri drugih dveh tekmah upam, da bomo odigrali dobro predvsem pri osnovah, na katerih smo delali, zlasti pri spacingu v napadu. Na obrambnem koncu želim videti dober odnos do obrambe 1 na 1 in posebno pozornost namenjam na obrambni pomoči in rotacijah, zato želimo imeti "timsko obrambo", ki kaže naše boljše vidike. Upamo, da bomo lahko velikokrat poskusili izpeljati protinapade. Glede turnirja pričakujem, da bomo našli ekipe na visoki ravni; za okolje in izkušnje zunaj igrišča. Zelo dobro poznam Slovenijo in z veseljem bom prišel v tako lepo državo, da jo obiščem."
